CONCURRENT EVENTS

There were 27 various events held in the five days. The topics covered the fastener industry trend, technology sharing, and fastener standard discussions. Audience were highly motivated to participate.

National Conference of High-end Fastening Technology

The National Conference of High-level Fastening Technology was held grandly in the Banquet Hall of Primus Hotel Shanghai Hongqiao in June 2-3, 2021. The two-day conference has attracted more than 150 industry leaders from Volkswagen, NIO, China Aerospace, CRRC, Fawer, Kamax, Bossard, Würth and so on. Experts from leading companies in fastener industry gave 22 passionate speeches on three topics: Installation and Efficacy Losing of fasteners; Tightening and loosening prevention of fasteners; Fastener application solutions in the end-user industry.

Shanghai Screw Night & Golden Screw Award Ceremony

With the celebration of the 12th anniversary, at the first year of the exhibition is 100% owned and operated by Chinese again, the organizer planned the Shanghai Screw Night & Golden Screw Award Ceremony which was successfully held at the Primus Hotel, Hongqiao Greenland on June 2. More than 500 Participants from various associations, representatives of exhibitors, special guests and industry elites from all over the world gathered to celebrate this historical moment.

As an independent observer of the fastener industry, the organizer of Shanghai Fastener Exhibition and Chinese Screw Network selected the "Annual Outstanding Public Company Award" and "Individual of the Year Award" for the innovative people and outstanding enterprises in the fastener industry, which involved a total of 6 industries. At the dinner banquet after the ceremony, friends gathered. In the harmonious atmosphere of screw people, the 2021 "Screw Night" and "Golden Screw Award" award ceremony came to an end.
